SPF MYTH

I only need to wear SPF when I'm outside.

SPF TRUTH

SPF can penetrate clouds and windows causing discolouration, fine lines and skin damage.

DIRECTIONS: Massage into face and neck daily, all year round. Smart Shield should be the very last step in your regime, after cleansing, toning and moisturising and before makeup application.

Your smartest defence

FREE

80% of facial ageing is caused by the sun**, so upgrade your SPF with Smart Shield. The lightweight fluid provides skin with invisible UVA/UVB filters, plus barrier boosting and age targeting ingredients in one easy step. Fight pollution with Multi-Defence Complex.
